

Stockholm Exiles Rugby Football Club

Exiles welcomes you as a member and a friend. The Club was founded in 1963 when a group of expatriates living in Stockholm and playing for other Swedish clubs banded together. Although many of our players now are Swedish, over the years, players from many countries have played for and against the Exiles. Our first teams, men and ladies, have been among the top teams in Sweden for many years. Our object is to play and enjoy Rugby Union Football and in doing so contend for the Swedish Championship. We are the largest club in Stockholm, currently boasting two senior men sides, two ladies sides, juniors and youth players from 6–19 years of age. We have several players on national teams at several age levels. Our home ground is Årsta Rugby Center at Årstafältet. For the current training and match times, see our website at: www.exiles-rfc.org

To become eligible to play for the club fill out the form, pay your membership and hand back the form to the person that gave it to you.

Declaration of health

It is important for the club to know that you are healthy if you are going to play with us. It is also very important that our leaders know if you take any medication. This is confidential, but we do try to make sure that at least one leader on every trip or game is aware of your needs. Don't forget that Astma spray and Insulin should be added if needed.

I am healthy in body and mind and do not take any doping classed substances (see www.rf.se).
